

# Detours and Bus Stop Closures on Church Street

Tuesday, August 20 through Friday, September 6, 2019

Church Street from the Downtown Bus Transfer Station to Pratt Ave NW is closed in both directions due to road construction through September 6. As a result, some bus stops cannot be served.

Routes 4, 8, and 9 are affected at the following closed stops:

- Westbound Pratt at Jet Pet
- Eastbound Pratt near Church Street intersection
- Westbound Pratt at Red Lobster
- Eastbound Pratt at Richardson Lighting
- Church Street at Wheeler (Outbound) northbound
- Church Street at Wheeler (Inbound) southbound

Bus riders traveling to Central North Healthcare on Pulaski Pike, may now use Routes 4 or 9 to access this location heading away from the main Downtown Bus Transfer Station. These bus stop closures will remain in effect until construction is completed.
